## 1. Introduction

---

---

That concludes the 34<sup>th</sup> season. Thanks to everyone for participating!

For the awards and congratulations, see section 15 - no spoilers here! If any of you know of someone who would like to play with us, or would like to start a new team yourself, please let me know as soon as you can.

Since a few of you had trouble remembering how many players you had transferlisted, I will do the recordkeeping in the Sun going forward, rather than privately - this season, you would've had to count previous transferlists to know whether you could still add a player to the transferlist.

Next issue, you send orders for:

\* Nothing! (issue 1 is the season kickoff issue)

Publication date for issue 1 is Wednesday March 5. It might be out sooner. If you have heard nothing by the publication date, feel free to get in touch to check up on it. You can also check the following page, which gets updated at the same time as I send out the Sun:

<https://pvv.org/~janbu/rosun.html>

I will send out your teams with issue 1.

Jed Stone, Frillby United:

« Mid Morning - Slartibartfast Training Ground

Out in the middle of the pitch Agnas Catchpole was putting the members of the Tea bags through a training exercise. Tea towels flicked in the morning sun amid a shower of flour from the twirled rolling pins of the troop. Their exercises were being observed from the goal post at the other end of the pitch, by a mouse, a pigeon and the goal itself.

'Wonderful synchronised movement, said Bezrath. 'Rather like a ballet. Some folks would pay good money to watch this performance.' (in his present form as a goal post his eye was a knot hole and he spoke telepathically. His companions, having eyes used them but also conversed telepathically.

'Don't you consider it strange that of all the teams in all the leagues we are the only one with a WI group policing the fans at matches?' said Thongral the pigeon.

'As the club owner reputedly has two heads and a spare arm and has the most modern space-ship in the Universe docked behind the Moon, no I don't' replied Algarth who was displaying bad manners by conversing while nibbling a chunk of cheese. 'There are strange anomalies all around this area. A second hand shop that supplies alien spy bots of dubious value and imports alien beverages via an unregistered space portal in his cellar and uses Vogan Poetry as a security measure cannot be regarded as normal.'

'Yet no-one seems to care or notice at least while the club lingers in the bottom division. A rise to the next tier may signify the end of football as we know it!' mused Bezrath woodenly. High above in the clear blue sky, the thoughts of the Golden Eagle Gay Lord were running on similar lines. »
